### Company brief

Rooswoodworking Machinery is a global dealer in industrial machinery. We mainly supply the continent of Africa.

Our main machine line is intended for the woodworking and sawmilling industry. We also sell metalworking machinery as well as a wide range of screw compressors and parts.

Rooswoodworking machinery is not only a supplier of machinery, but we also do service and maintenance plans, we have a fully operational reconditioning workshop.

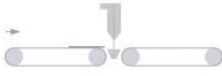

professional , so excellent

# Welcome to ROOS

## curtain coater machine
